Dear, friend, family & fellow believer.....

I will keep you updated monthly after each Revival Crusade as to what God has done & is doing around the globe.

First let me give God all the glory as to the doors that have open for me to preach & proclaim the Gospel of our Lord Jesus Christ. 12 months ago...even 8 months ago I would never have dreamed it possible & not even a hint as to the doors that God has opened directly for me to travel & minister in mostly outdoor open air revivals.

My heart is mainly to reach the unsaved with the simple & full Gospel of Jesus Christ through His Word in preaching & to carry His glory, power & presence to heal & deliver.

So far it's been a miracle as to the provision in providing funds to do this (A HUGE thankyou to anyone reading this who has supported with finances)...we all know it costs to do this. The last crusade to Africa cost approximately \$2000 & my airfares (\$2500 approx - I look to God to pay this myself) & we saw around 2000 fully surrender their lives to God with many delivered & healed from diseases & sickness.... That's \$1 per salvation how exciting what can be achieved with such little money!!...Lame walked, blind saw & many others healed.

As you may or may not know I ran a feeding & street church in Frankston/Melbourne Australia for 4-5 years where we saw many come to God & fed many.....this feeding program is a great thing to do, however I believe many Churches & Christians will stand before the people they may have fed & helped practically, & the people will cry out...why didn't you tell me about Jesus & clearly proclaim the Gospel? I believe we have lost sight of our main commandment "Go into all the world & preach the Gospel". I'm not saying don't feed the poor & attend to the needs of the widows (as this is also a commandment) however better a poor/hungry person in heaven, than a well fed cared for person in hell!!!!.. In saying all this, I am about to visit an area in India, poor remote village where the need is great & orphans are starving....where I feel I may be able to help in establishing a feeding program & orphanage. I will keep you updated & present photos re' this possibility on my return.. I can't do this without your help, prayers & support....please wait on God & help me as you feel you can.

**India** - Saw many healed & saved as God poured out His Holy Spirit in Mysore & Bangalore. Many set free from demon powers. One Orphan girl (around 11-13yrs) saw a bright light come down from heaven in power & knocked her to the ground & she came up filled with Holy Spirit speaking in tongues. Many testimonies of healings. Hindus touched & felt the presence of God mightily. An elderly man was insane & the next morning his son said he has seen such a difference he now believes in Jesus Christ....Praise God from whom all blessings flow!!!

**Pakistan** - Saw the power of God fall with many delivered from demon powers. The Wednesday Revival meeting around 10,000 gathered in Lahore Pakistan...Over 1,000 received the Lord. I went to some poor villages where many were healed & whole families surrendered to Jesus Christ. As much as 300+ were filled with Holy Spirit in one prayer all simultaneously. A bright light shot down from heaven & hit an elderly lady in the chest & she was healed from heart disease. A young boy (9-11 yrs) was born deaf & dumb (could not hear or speak) God healed him & I heard him say Jesus & Hallelujah!!!!

**Africa/Kenya** - 4 nights of Revival meetings many surrendered their lives to Jesus, set free & delivered. The local ex magic man came up at end & said before I was 1/2 blind & now I can see. A Pastor that came from Nairobi saw a wind of heaven blowing upon the crowd clearly & that really touched him. An elderly lady 1/2 lame jumped from platform & was healed & walking fine....Around 2000 surrendered their lives to God & a new church is established in the village after the revival. This village has never had a revival meeting/crusade before..

I have also involved myself with an orphanage in India Guntur where I visited early/mid last year & saw 35 Children/Orphans surrender their lives to God (aged 6-13) & then the power of God fell amazing for 1/2 hr with all children crying & calling out to God...I will be back there this trip in February.
