Just back from **India** where I saw the power of God fall stronger than ever before!!! Guntur & Peddanipalli

Praise God for all He has done!
Left on the 9th Feb & back on the 18th
Melissa (my daughter) came with me
in her first trip out of the country.

At Guntur we had a day with Childrens retreat where we did puppets & songs & shared a simple message. We saw around 200 children stand to receive Christ.... Actually around 500 stood, but assessing those who seemed to know what they were doing, I'd say was around 200-250. Two night Revival meetings saw amazing power & presence of God while preaching His Word.....How powerful is His Word when preached in faith & anointed....you could feel the very hand & presence of God soaking & effecting peoples lives as it went forth...This is something I have noticed increasing each time I go outthe power in God's Word as it is proclaimed....indeed I am seeing some "cut to the heart" & others receive faith to be healed or drawn closer to God as a result of receiving & being under the sound of HIS WORD.....**"the entrance of Your Word brings light"**. I had two days in an Orphans home (www.child.org.au) started by a friend of mine locally here in Melbourne & had one meeting with the kids ages 5-15 to follow up from my last visit where we saw God move incredible for around 1/2 hr with the children crying & reaching out to God....all received the Lord last visit & this visit saw them touched again, encouraged & some filled with Holy Spirit. Two nights in Peddanapalli saw countless lives transformed, saved, healed, delivered & filled with Holy Spirit. One night the diesel 4wd run out of fuel & after toping up....(if you know diesels they won't start again if run out of Fue) & after 13 attempts to push start with 5 guys, we laid hands & prayed & it started immediately....total miracle, which needed to be because I was desperate to get home as I had a sever dose of Stomach upset & diarrhea & did not want to be stuck on the side of the road for hrs waiting for alternative arrangements as you can't really just ring for another car easily there.....praise God!!..... This meant a lot to me....Thank-you Lord.

Around a 12 hr flight to Chennai & 7 hrs on a train we arrived at Guntur & then another 4 hrs north to Peddanapalli.....sometimes I wonder how crazy I am with all the travel, which at times I find very hard, but the results are well worth it when you see the power of God fall & lives set free from satans hold & translated from darkness to light. We had around 16 orphans children & a dozen adults at the home/church of the Pastor in Peddanapalli, when Melissa came to me to say can I help her as the kids want a story told to them....well I felt a bit out of my comfort zone telling stories (give me puppets or a guitar I'm ok) In any case after a little deliberation I got up & sat with them & told them the story of Jesus being close to the disciples & then leaving them to go back to the Father....the disciples being lonely

Jesus comforted them saying He will send the Holy Spirit.....after the story & before I knew it we had all the kids standing & being filled with the Holy Spirit & power as God poured out His glory & presence....word got around very quickly the kids have all been filled with God!...It was powerful. The night meeting/crusade open-air (which is what I love) saw around 1500 people attend who came from 36 different villages. The lighting & PA were excellent for which I had invested around \$800AUD including the 4WD hire & some adverts/banners. One young man was given 2 days to live by his doctor as he was chronic alcohol effected....That night the power of God came upon him & he was healed & set free & received Christ.Also women bleeding 16 years completely healed!

Dear brother Paul Furlong and Near Family, we are so blessed to have you with us in India whole 3 days. We give Glory and Honor to Jesus for his mighty presence with us in the Revival Crusades. Holy Spirit moving mighty in the lives of hindus, idol worshippers, believers and pastors through your messages, prayer and impartation.
