Just back from **Uganda, Rwanda, Burundi & DR Congo**
where I saw the power of God fall stronger than ever before!!!

Praise God for all He has done!
Left on the Monday 21st March & back on
Friday 1st April.

Wow this trip covered a lot of ground.....I saw many people touched & surrendered their lives to Christ around 1000+ .
In one specific meeting in a very outback poor area I stated preaching at 1.30 AM (yes AM) & preached until 3AM in which time as I prayed for a clear need of deliverance from demonic strongholds & power over peoples livesacross the whole building there were many shrieks & cry's as demon spirits & powers were broken & left many people & they were all set free & received the Holy Spirit & God's freedom, joy & peace that only He can give. PRAISE THE LORD to see many lives that were previously held in bondage by satan, set free & delivered from darkness to light.
I note in reading the Gospels that Jesus seemed to deliver many from demon powers as much as He healed the sick & diseased.

One powerful testimonie among many of deliverance & healing was a poor lady with a large Stomach growth/tumor...Dr's said they must operate, but she had no money. After prayer that night, she went to bed, slept all night, woke in the morning to discover the tumor had completely gone!

**PRAISE GOD....who forgives all our sins
& heals all our diseases!**

In Uganda we had 3 nights of outside crusade & I have just received a report to say that many people who didn't actually come to the crusade, but listened in their homes over the speakers & are now coming each day to Church & increasing as the days go by!...Praise God!

The presence of God came upon me so mightily in the x2 morning meetings that I knelt & wept under His presence in feeling His heart of love & compassion & desire to touch his people/creation.....This was actually a powerful time for me as I have prayed to minister in tears of His heart.... This I felt!.....

Rwanda & Burundi saw many lives & healings...also many surrendered afresh their lives to Christ.
Dr Congo was one night meeting prior to starting my long trip home. The sweet presence of God was so real....with many lives touched. I may plan to return & conduct a big outdoors revival in the local football field/compound & reach many lives over 3-4 nights of revival crusade.....please pray for His will & direction here.

Pastor Alexis was with me 5 days in Rwanda, Burundi & DR Congo... He travels throughout these countries caring for orphans, preaching the Gospel & Pastoring. If we can raise \$1500 to set him up in business this will directly fund orphanages in the three countries. This will make a HUGE investment into many orphans lives!
