## Just back from Sri Lanka & Philippines

God moved in power & might winning countless souls into His Kingdom!

Thankyou to all who are backing these crusades in prayer & financial support.. Great will be your reward in Heaven as we reap this harvest in the last days together!

What a mighty time in Sri Lanka & Philippines!

In Sri Lanka I went to a village called Anuradapura, which turned out to be the strong hold & capital headquaters for Buddhism for the whole country. No one has ever attempted an open air Gospel/healing/revival crusade ever before. I only had two nights there & the second night unfortunately was rained out...actually a HUGE storm came through & the grounds were under 2ft of water with lightning striking the ground right next to the stage repeatedly???? Praise the Lord the first night 500-1000 locals came & some travelled a long distance ..in fact one man travelled over 100's kms to be healed & received his healing. Many lives were surrendered to Christ & many filled with the Holy Spirit & also delivered form many demonic strongholds & sicknesses.....

A short part of a letter from the Pastor there as follows.....

*Dear pastor, (grammar left as sent)*

*Warm greetings from our lord and Saviour Jesus Christ name. We are really very happy to having your ministry in our country in Sri Lanka for reach the lost souls for God. We got new experience in the evening crusade meetings. This meetings is a historical turning points in the strong hold of Buddhist area. in the Christianity history no one had this meetings for God use you for His glory in this place . So we very glad that God send you to our nation to change the history and gives us more strength & boldness for God's kingdom work.*

*In this evening meeting many people touch by the power of God. Lots peoples Got physical healing and spiritual deliverance from evil spirit. For this meetings there one man come from very fare place, nearly 120 km he travel and come to meetings for his physical healing, and after your prayer he got healing for God.*

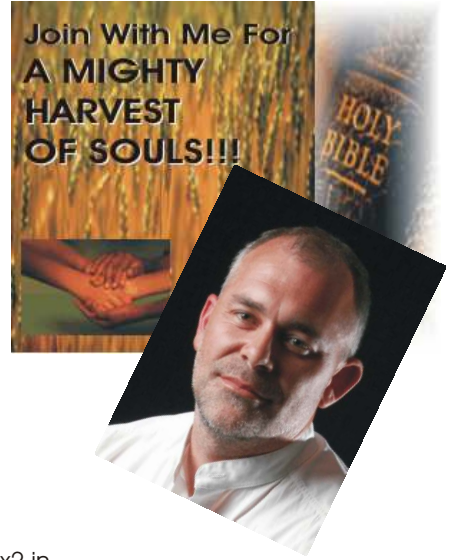

*New people accept Jesus in their life and God done mighty work through your meetings in Sri Lanka. so may God name be glorified always. in this meetings there tow Muslims woman attend and prayed by you. now they come to Sunday service its very big changing of the peoples life. More than 300 peoples got new experience with holy spirit. also the next day some new peoples come for healing & prayer for deliverance.*

## PRAISE THE LORD!!!!

The morning meeting saw the power of God fall on many pastors & many touched & slain under His mighty hand, not being able to stand in His presence! I also invited Pastor Gary Hannie (now part of the Catch the Fire Team Rev Dr Daniel Nalliah ) to accompany me. He also shared the Word while with me in Sri Lanka & the Philippines & God used him to touch lives. This trip encouraged him mightily in God, receiving a fresh touch from God. Well done Gary!!!

In the Philippines where I held x4 nights of crusade meetings...x2 in a covered top/open sides basket ball stadium right in the centre of a poor area/village & x2 open air by the highway in another poor area, God moved in great power with 100s surrendering their lives to Christ, many healed & filled with the power of the Holy Spirit.... The presence of God fell in instantaneous worship where the glory of God fell so strong one night that many people came running from around the area & out along the street & all stood across the back of the stadium watching & experiencing what God was doing.....I believe you can't argue with the very real presence & power of God ...This is what I long for & seek God for in every meeting, as this is what opens eyes, touches hearts & proves He is real. Even Jesus said...."If you don't believe I'm the Son of God then believe by the evidence of the miracles themselves"...Paul said..."I don't come to you with persuasive word & well thought out sermons, but come in the power & demonstration of the power of God" ...This needs to be the seen difference from other religions & gods....Our God is alive & wants to pour out His power, love, healing, deliverance, joy & peace!....who in their right mind wouldn't want it after they "taste & see that the Lord is good" 100's of poor children fed & food buckets sent to 100's of the poorest families....

A few days before I left the pastor told me a father of 7 committed suicide because he could no longer bear to see his children starving. ..how sad!...

Please see a report from the pastor in the Philippines below....

**REVIVAL HEALING CRUSADE By: Evangelist Paul Furlong**  
**Crusade venue**  
**Multi-purpose Gym, Bangbang Village**  
**Cordova, Cebu-Philippines**  
**April 21-22,2011**

**Reports:**

*The crusade days in Bangbang, Cordova, Cebu, fell on the Holy Week celebration in the Philippines when Catholic devout Filipinos stayed home especially Holy week days were holidays. Only few people can be seen on the streets. Therefore, it was difficult to gather people for the evangelistic crusades. But, the venue was packed with people and because the gym is surrounded by houses and so a lot of people though some of them are only in their houses ,yet they still can hear the gospel preached from the mouth of his servant. The powerful and anointed message from Evangelist Paul Furlong so his anointed gospel songs stirred up the people both the non-christians and the born again believers. When the message comes to a conclusion and when the challenge was made by the evangelist almost all in the crowd went forward as a response to the call. The non-christians went forward to accept the Lord Jesus as their Savior and also for healings. The believers went forward to re-dedicate their christian lives. The were people who are not familiar with the local believers spoke in tongues and fell down to the concrete floor.*

HOLY BIBLE

Evangelist/Revivalist  
Paul Furlong...Australia

*Only God knows how many people accepted the Lord Jesus and how many were being healed because a lot of people are in their houses but were listening to the gospel preached....Few of the people who were healed and are not shy raised their hands indicating that they were healed. They are the brave ones, as the people are very shy!: People of legal age healed from many complicated sicknesses:*

*Dominga Gaspar, Anselma Degamo, Hipolita Sumagang and Danilo Degamo all healed from blurred vision.*

*Dominga Gaspar, 36, was healed from stiff neck and was instantly healed and the pain was gone when the evangelist laid his hands on her.*

*Anselma Degamo, 60, was also instantly healed from dizziness.*

*Danilo Degamo, 32, blurred vision due to cataract but was instantly healed after the evangelists prayer.*

*Hipolita Sumagang, 72, healed from rheumatoid arthritis but was instantly healed After the evangelist prayer these people who have been healed are being followed up by the church workers and are now having a regular bible study in their home.*

*Poverty and sicknesses plagued this village. During the crusades many people were also blessed not only spiritually but materially like basic need such as rice their staple food. Many of the people here cannot eat three times a day as well as their children. Many children failed to go to school because they are too weak with an empty stomach. Holistic ministries like children's feeding and school sponsorship are badly needed in this village.*

*Thanks be to God that the real gospel brought in this village brought blessings to them. TO GOD BE THE GLORY FOR BRINGING EVANGELIST PAUL FURLONG TO THE PHILIPPINES.*

**REPORTED BY : Pastor REY DELIMA**

Bear with me a moment while I be a little foolish.....(even the Apostle Paul got a little frustrated sometimes) All I can say is please ,please I need your financial support & prayer support. I have so many Pastors across the nations that are crying out in desperation... "Please come & bring the Gospel & a fresh move of revival to our city & villages".

I hear the cry of **souls, souls, souls** that are going fast & steady to Hell unless some one goes, & how can they go if no one sends them! We have no idea how to sacrifice ourselves for the Gospel in time, energy, prayer & finances to see the Gospel go forward because we are so comfortable & well off here. (Talking to those in Western style Countries)

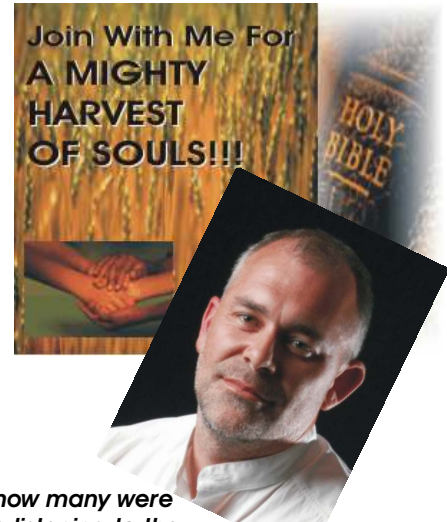

**James 5:3**

"Your gold and silver are corroded. Their corrosion will testify against you and eat your flesh like fire. You have hoarded wealth in the last days". The last thing I want to do is offend you, but we all need a wake up call. Souls are going to Hell each day & we are worried about what colour new carpet we are getting or style of new dress or suit looks best.

WE all need a wake up call (I included). I know many of us were brought up this way, but it doesn't make it right. We as a Church & as Christians have lost our way & got sucked into the same desires, & self indulgence as the world has. Jesus warned us.." Don't lay up for yourselves treasures on this earth but deposit in heaven...." We do that by pouring our funds into the Gospel!.... I have witnessed first hand so much of our tithes/offerings given in so many Churches lining the pockets to pay staff who don't even have a passion for souls but are just pouring it into entertainment & car allowance & fringe benefits for their empire .. oops sorry....staff! If you have a heart to see souls won into the Kingdom & your money used for this, then I ask you to back me by sending me to answer this cry for the Gospel. My house is 90% financed ..I can't get more money from this, yet some of us are hoarding funds in these last days....can I humbly ask you to sow it into heaven.

Even if each person that receives this newsletter supports these gospel crusades by only \$50AUD every month ....this would bring \$thousands to reach more souls every month. Imagine if some of us gave \$100's or \$1,000's. I have to limit.... even the size of each crusade because of funds, because often everywhere I go are poor areas & the pastors have no money...so I need to pay for a PA hire & posters & often some basic food as many travel hours & 100's km with no money for food. The need is so great... The call is so HUGE...

"the harvest is so plentiful, but the labourers are so few" ...The results are so rewarding...this is what will last for Eternity...everything else will fade away & only what's done for Christ/The Kingdom will last.....Will you join with me?

**Can we do two meal feeding per week in the poorest area out of Cebu Philippines? This would cost only \$50 per week..**

Please respond specifically to this if you desire to make this happen!
