**Just back from Pakistan where I saw the power of God fall stronger than ever before!!!**

## Lahore & Karachi

Lahore  
Wow ...what a hot time in God & in the natural as well as the temp was 45C.....  
3 nights of crusade in Lahore in outer villages & poor cities where God poured out His power & presence in a very real way. One night in very poor area outside crusade, the power went off (which is very common) so with no PA system I walked around throughout the people preaching as the strong presence of God fell touching 100's of lives, healing & bringing salvation. 200+ received Christ that night. Many healed & delivered & filled with Holy Spirit!  
Pastor Rizwan commented on a few healings here....(grammar unchanged)

1. One lady tumour but after your prayer she is healed now.
2. One young girl don't want to live more on earth but after your prayer she has peace in her heart and mind.
3. One old woman heavy pain in knees but after prayer she can walk good now.
4. One brother was not able to listen but after prayer he can hear little.
5. One man was attending your meeting in his house by PA voice and he was feeling much pain in heart but after prayer he was feeling well.

## Thankyou to all who have prayed & supported these revivals!

Please consider prayerfully to come on board a support theses revival financially...I am stepping out in faith in God's calling to take the Gospel & love to the Nations Currently I need to hold back the size of the meetings & the practical care for Orphans & poor as I am restricted with funds...PLEASE release the Gospel by giving monthly or as you can to touch these lives with God's love!!!!!! I can only do it with the help of people like you!

## Karachi

I went into a desert place on the outskirts of Karachi where a very poor village (no power, water, gas)& held x3 nights of revival. Many attended & the church has been greatly encouraged & revived with many added to their numbers....The follow up has been particularly good as the pastors have spent much time in visitation since my departure.

One lady almost totally blind received her sight While another Muslim lady (prayed with on the phone in the meeting) paralysed started to receive her healing as she opened her fingers & began to move her hands freely that were totally paralysed...I believe her healing is now spreading to her full body!

See following report from Pastor some healings..... (Grammar unchanged)

**We praise the Lord** that many have shared their testimonies during prayer and follow up visit to the families of the participants of 3 - day Evangelistic & Healing Crusade and one-day Leadership Seminar with Evangelist Paul Furlong, Australia.

During the Crusade meeting, Evangelist Paul Furlong sang many praise and worship songs among hundreds of participants from more than 14 different area those were attending the crusade meetings with full of their attention come to the crusade ground by buses.

After the preaching of the word of God the man of God Evangelist Paul Furlong gave alter call to the people to come to the platform; every night of the crusade dozens of men and women came to platform in respect of the invitation given from Evangelist Paul Furlong to come to Christ and lot of people have accepted Jesus and the personal saviour and Lord of their lives every night.

During the follow up visit many have shared that we'd received our miracle while the man of God, Evangelist Paul Furlong, was singing the worship songs and giving praise the Jesus for the fresh anointing and for the power of deliverance to deliver the people of Karachi from the bondage and yoke. ***Our Team met lot of people those had received their personal miracle and have experience of rejoice and the power of deliverance touched their body, souls and spirit.***

An old man, who was a patient of heart deceases since last 16 years and faced the test of heart attack 3 times in his life. His name is Mr. Younas Masih, The doctor said to this man that you have no change any more to live but when he'd heard the word of God on 1st day of the crusade meeting he accepted Jesus as the personal savior and Lord of his life and received healing. when Evangelist Paul Furlong and team visited his family on Sunday after noon and had lunch over there at his home, that man Mr. Younas Masih have share his testimony that he has no pain any more in his life after the prayer for the sick people.

Mr. Younas Masih has shared with a loud voice that I do not need any medication and doctor any more because I have no pain since the man of God prayed for me in the 1st day crusade meeting. so I do promise to live my life for Christ.

When the Follow up team visited his family again, the members of the family given the same testimony and now he is doing his activities well and there is no heart pain in his life. Thank God.

A lady, who had the great pain in her body and she is saying that I often feel the level of high pain so I though that I would die but when Evangelist Paul Furlong prayed for the sick people I was there in the middle of the crowd and felt that someone has touched me, my body, and this was the moment when I got healing from pain and till today I am felling good.

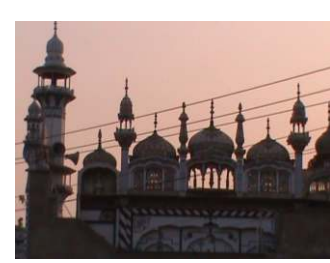

An old woman, who had pain in her left side leg since last 4 months was completely healed with the power of the preaching of the Word.

A Young Boy, who was in the crusade meeting in the last night, he said that I did not like to come to the crusade meeting but I was feeling that someone was pushing me by force to come so I do want to share this testimony that I had trouble of shaking of the whole body since last 32 months and now I am completely healed.

A young girl, who is recently graduated from a Bible School is saying that I had extra meet in the white balls of my eyes and when Brother Paul Furlong did touched my eyes, upon my request to pray for me; but Brother Paul did not know the problem. At the same time the extra meet that looking over in my eyes had gone and my eyes became normal.

A young girl says that we are richly blessed through the preaching ministry of Evangelist Paul Furlong and do want God to send him back to our area soon for His name sake because we are seeing that every one was filled with rejoice and the love of Christ, through the power of the Word of God.

Like never before I feel a sense of urgency that our days are short & God will not strive with mankind forever!! I believe we are now living in borrowed time for the bride groom cometh. Are we ready...are we watching & waiting for Him. Will Christians break out of the deception of worldly wealth & possessions that is keeping them from being effective for the kingdom of God. WE are laying up so many treasures on this earth when we should laying it up in heaven. So many churches have stopped preaching the full Gospel & repentance...***"Without repentance there is no forgiveness of sins"***. There is no desire to live daily in service & surrender to God's will & purpose with a heart for souls.....we are indeed living in the great apostasy (falling away) in the last days. ***"Men will be lovers of themselves"*** ... It's all about feeling good, having the best & satisfying ones own desires...it's shoved right in our faces every day through o many forms of media, and many Christians are falling for its lie. It's time to break out....as Jesus said ***"sell your possessions give the money to the poor & come & follow me"***... He said this a number of times because He knew how ineffective & distractive & destructive it would become to many as we live today. Let me encourage you....simplify your life & get a hunger & thirst after righteousness you can't please/follow/serve both God & mammon. ***"Press into, & lay hold of that for which Christ has taken hold of you"***... You gotta sacrifice to do this, you gotta die to do this....put the flesh under, be disciplined (discipled...by the Holy Spirit). There is no greater place to dwell/live/abide than under the shadow of the almighty. If being under the shadow of Apostle Peter healed & delivered & caused the blessing of God .... .how much more being under the shadow of the ALMIGHTY!!!! Selah.

I'm wanting to raise \$50 weekly to provide two feeding meals to the poorest kids living here.....  
 Philippines Cebu poor village  
 That's all it will cost....wil someone come on board for this?
