Just back from SriLanka North 1000+ souls came to Christ SriLanka North in war torn area

Praise God for all the wonderful things He has done in SriLanka.

Up north was where the war devastated many lives & so many widows & hurting people received the power love & healing of God in their lives.

I was particularly excited as I had a sponsor from Christian business man & his wife to take bibles with me which we left & gave to 1000 new converts & those without bibles in their own local language "Tamil". I saw the power of God deliver many people from demon power that shrieked as they came out. One lady jumped around as a monkey & (Hindus have a monkey God...devil) so this took over the lady & tried to make a big show....But God set her free & delivered her from this demon/demons. One man could not talk but God opened his mouth & lips & he came back to testify....many healings & broken heart touched by His love & power. Also a Godly ex missionary lady family friend is now supporting \$50 fortnightly..Thankyou

Thank-you to those who have
prayed & supported these revivals!

I am desperate for support & funds to take God's
Word to many countries around the world.

Please consider backing & supporting this to enable
lives to receive God's Word, power, healing & deliverance

I can't do it without your help!!!Please visit www.therevival.com.au

& see what God is doing with many videos of the revivals/healing/Gospel
open air crusades!

I had a opportunity to go into a badly bombed war torn area just starting to be resettled with many very poor people & gave food for 100 people for one week supply & a bible to each one. I could do so much more with more funds!

Please now read Pastors report from local area (gramma unchanged)
