REPORT OF THE REVIVAL CRUSADES, EASTPALEM, 21 & 22 October 2011(Malikipuram)

It is my joy to write once again. From deep of my heart I say that the Lord made our Revival Crusade a great success. **It is more than**

our expectation. It is wonderful to hear from many Hindus, believers and pastors that they could experience moving of the Holy Spirit Many of them were touched personally. Many are healed. Many are challenged to live for Christ. Many came out from the bondage of sin and idol worship. Some of them come to the church and shared their testimony, and many are me to tell their experience in the crusade. Some of the pastors and elders told that it is another Pentecostal movement taken place in our area.

On the other hand all the pastors who attended our pastors Revival seminar wondered of your revival and challenging message. All the pastors told one thing that they were revived and rededicated to serve the Lord with specific vision. They could also understand how important it is to be filled by the power of the Holy Spirit. Many of them expressed their opinion that how wonderful it would be it is a three a days seminar asked the pastors to pray for another opportunity to have you here once again. infact I too found as you said now a days we lack speakers like you ,to condemn sin, to bring down rain from above.

Regarding our children programme, the children and their parents are more than happy to receive school bags and blessings through your hand.

They convey their love and thanks to you and your family. Here I am narrating some testimonies from our revival crusades for the glory of God.

ADABALA JYOTHI : She came from a Hindu background. She is around 30. she has husband and two young children. for the last many days.

She was suffering with Sevier body ache, weist pain; her right hand was unable to sense. While you asked the congregation to look unto the Lord she lifted her hands. Electric shock, a bright light passed into her body.

All the pains went away. Now she is able to do her works. praise the lord.

P.ADILAXMI : Physically she is very weak for the last few years she was longing for the touch of Holy Spirit. She was in crusade with tears.

While you are praying she found a flash came from you and touched her body.

She says she could not express the experience in words. Both spiritually and physically she becomes strong. Praise the lord.

N.LUDIYA : she came with sever hand pain. She was unable to lift up her hand for many days. At the end of your prayer she checked her hand. It became alright. now she can easily lift her hand up and work.

A.VICTORAMMA : she was a deadly weak woman. No strength at all in her body. Even she could not pray. She likes to pray but the evil spirit could not allow. But in this crusade she was touched by the power of God. she felt for better. now she is led by the spirit of God to pray. praise God.

(Both N. Ludiya and Victoramma were on the stage and told the testimony and the same was covered in your video camera)

N.VENKATARAMANA : he is an idol worshipper, working as a school teacher and r.shekar an young man, he also comes from Hindu back ground.

Both of this came to me and told that through this crusade and the teachings of Paul Furlong they came to know true God Jesus. They are ready to take baptism. Praise the lord.

PALIVAL ADILAXMI, P.KALPANA, CHANDRAVATHI AND JANANI :

These four women have a desire to speak in tongues. While you declared the gift of tongues, these four were filled by the Holy Spirit and began to speak tongues. Praise God.

Dear brother, all that we reported is a very little. But you did a lot during the crusade.

It is a great blessing to all our congregations and villages here. All of us long for another opportunity in the days to come. Please convey our special gratitude and thanks to those who encouraged you to do it here in this manner. I just want you to remember that all our apostolic believers, pastors' team and our families always praying for you and your wonderful ministry.

Praying for you and church and your next trip.

With much love in Christ,

Pas K. Johnson

Thankyou to all who have sowed directly into souls....

God is moving in great power & love as I travel to many countries to take the Gospel!...I beleive we are in the very last days before Christ return & the snatching away/gathering unto Him...(Rapture) "we will meet Him in the clouds"

Please....I invite you to work with me for the sake of the Gospel & souls!

I am full time now as a Missionary/Evangelist & therefore have no time to work to support my family & gather extra funds for crusades....I look to God!!

Let me encourage you...If you are living your life in obedience unto God also to look to Him as you step out in faith ...believe & expect more, as He is a BIG God & able to do far above all you could ever ask for or imagine.....Of coarse if you ask for selfish wants & worldly desires then you will not receive these from Him...Oh yes you may receive them from your hard work & determination, but in doing so you will waste your life chasing things of this world & build with straw, hay & ticks on the foundation God laid of stone....All this will be burned at the end of the age & you will have done nothing for Christ & may just hold onto your salvation by the skin of your teeth!!...God wants us to build with precious stones, gold & silver, these things that last & are fruit of our faith & good deeds & obedience & love to God....these things build His Kingdom, not our wealth, possessions & prestige...WE are warned not to lay up for ourselves treasures on this earth or hold back our wealth from sowing into His Kingdom in these last days.

1 Corinthians 3:11-15

New International Version (NIV)

For no one can lay any foundation other than the one already laid, which is Jesus Christ.

If anyone builds on this foundation using gold, silver, costly stones, wood, hay or straw, their work will be shown for what it is, because the Day will bring it to light.

It will be revealed with fire, and the fire will test the quality of each person's work.

If what has been built survives, the builder will receive a reward. If it is burned up, the builder will suffer loss but yet will be saved—even though only as one escaping through the flames. Also see...1 Timothy 6:16-18, James 5:1-3, Revelation 3:16-18

We visited a local prison with 30 inmates..... 20 surrendered to Christ ...some with tears as I preached Jesus bore the penalty for our sins & He was innocent!!! WE gave food & Gospel John!...Priase God Please pray for them.

Many Children receive Holy Spirit & surrender lives to Christ...
 Also many receive food & support for poor & widows.
