## Our Purpose

1 - To take the simple, powerful & uncompromising Gospel of the Lord Jesus Christ, with signs following, to the community in demonstration of God's great love & power. Believe God to bring "Revival" to our communities & churches & seek Him for such in prayer & with a passion for souls, we will step out in faith & obedience to "plunder hell & populate heaven" by bringing salvation, healing & deliverance in Jesus name!

2 - To call & encourage Christians that need a fresh touch of God. Many may have wandered off the pathway that is straight & narrow, & need to come back to Christ. Many simply have fallen out of fellowship. Many are sitting in dead churches &/or are not on fire to proclaim the gospel by living empowered & victorious Christian lives.

3 - Many people are hurting & discouraged by past experiences in life, relationship & even the church! We seek to bring healing, wholeness, life & joy. Church leadership should encourage, love, equip, challenge, train & disciple. We should seek the best in people & release into ministry the saints for the glory of God & for the purpose of "full body ministry & operation" as Christ Himself intended for His glorious church. We should esteem one another, not lord it over or control others, but love & inspire one another & grow together into God our Father & in His giftings given to individuals for the benefit of all.

We desire to fan into flame what God has deposited! To lead in humility & soberness knowing God, His grace & Mercy is toward us all.
